

Dr. Dustin York

Hosting a conference?

Providing employees professional development?

Dr. Dustin York is an Associate Professor at Maryville University. Prior to entering academia, Dr. York worked in public relations for the 2008 Obama Presidential Campaign, and clients like Pepsi Co., and Nike. Beyond his primary passion in teaching, he is a media subject matter expert for CNN, Entrepreneur and PR Daily. Dr. York was awarded the St. Louis Business Journal's 30 Under 30, Maryville University's President's Award for Strategic Leadership and Transformational Innovation as well as an Apple Distinguished Educator. He has coached Fortune 500 C-Suite Execs, consulted for digital and innovative branding, and leads interactive workshops for small and large companies, organizations, associations, colleges and everything in between.

Live Trainings

Dr. York delivers presentations tailor made to fit any need. His dynamic live presentations can supercharge your offsite, conference or meeting. Dr. York combines TED-Talk style engagement with science backed strategies to give attendees actionable tips they can use right away.

Keynotes
